Surfaces & Colours:

THERE IS A CORRESPONDING **hiREST COLOURS****** **TIMBER DECOR COLOURS***** SELECTION OF COLOURS AVAILALBE FOR THE DIFFERENT FRAME AND DOOR LEAF MATERIALS.

Please note that not every colour is available for every door or frame or door leaf.

Due to printing and manufacturing technology colour deviations between illustrations in this brochure and original products may occur. Your Internorm distribution partner will gladly show you original samples.

- * Highly weather-resistant, except M916 (facade quality).
- ** Intensive colour appearance, however colour tolerances possible.
- *** HDH colours have a lively timber appearance being hand-finished with pattern coating, however colour tolerances are possible.
- **** For surface versions HM (highly weather-resistant standard colours), HF (highly weather-resistant fine structure), HFM (highly weather-resistant fine structure metallic), and HDH (highly weather-resistant timber decor colours) a special highly weather-resistant powder coating is used.
